

Coordination on request

agent 0

agent 1

<a0 → a1> Still stuck in cell. Check door state if you see any change.

<a1 → a0> I am turning to find the south wall switch, let me know if you see any door changes.

<a0 → a1> Blue switch is centered. I will press it now.

<a0 → a1> I am digging the blue cube now; check if your door state changed.

<a1 → a0> Door is open, moving north now

<a1 → a0> Door is open, moving out now.

Partial coordination in combat

agent 1

agent 0

<a1 → a0> Zombie here, starting combat.

<a0 → a1> Turning right to reorient towards the combat zone.

<a1 → a0> Zombie here, focusing fire now.

<a0 → a1> Orientation should be right now; ready to engage zombies.

<a1 → a0> Boss is centered; I am attacking it now.

<a0 → a1> I'm turning right to try and get oriented towards the fight, let me know if you see the zombies from your side.

Failure in coordination

agent 1

agent 0

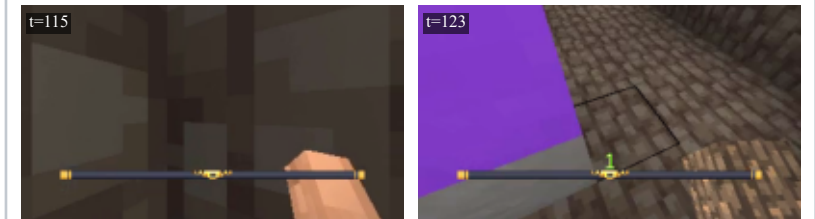

<a1 → a0> I'm centered on the left anvil; ready to punch with Agent 0.

<a0 → a1> I am moving forward to meet you at the anvils. Ready to punch the left one when you are.

<a0 → a1> I'm moving toward the center now to help break the anvils. Let me know when you're ready to coordinate.

<a1 → a0> I'm moving toward the center now, ready to dig the left anvil with you.

<a0 → a1> I am moving toward the center now. Ready to coordinate on an anvil when I get closer.
